Our Average Scaled Score in each subject is worked out based on the average score of our pupils. Each child is given a scaled score (100 being at the expected standard and 110+ being greater depth). Our Maths and GPS Scaled Scores are in line with the national score and above Wiltshire. Our writing Scaled Score is above both national and the Local Authority.

We continue to be **above** the Local Authority and national percentages for achieving the expected standard in Reading and Maths at the end of Key Stage 2.

In Writing we are **in line** with the national percentage for achieving the expected standard and just above the LA.

Our combined Reading, Writing and Maths results are **above** both the LA and national percentages.
